

Our larger network will put your clients at ease.

With a PPO dental plan from American General Life Companies, providing your clients with access to dentists they can feel comfortable with just got easier. Our new, larger network offers more provider locations than ever before, delivering the comfort of choice, while reducing both client costs and concerns. Meaning your clients can relax, with the coverage they deserve. Contact your Employee Benefit Solutions Representative or visit www.americangeneral.com/learnmoredental.

American General
Life Companies
